EDUCATION

University of Washington

September 2013 - June 2018

B.S. in Informatics, Human-Computer Interaction

GPA: 3.56, Dean's List 9 quarters

EXPERIENCE

Web & Digital Media Intern

UW Office of Minority Affairs and Diversity

August 2017 - Present

Developing and updating OMA&D web pages.

Creating graphics for web and print. Using email marketing tools to update newsletters.

Managing social media properties and online calendar system.

Product Design Intern

XO Group, Inc.

June 2017 - August 2017

Conducted user research and user testing. Worked closely with a cross-functional team using agile.

Created mockups, prototypes, and design specs for solutions that will affect the 12 million unique monthly visitors of The Knot.

Independent Contractor

IvyStart

July 2017 - August 2017

Gathered user and business requirements from key stakeholders. Redesigned and developed the website and internal portal of the company based on findings.

LEADERSHIP

Software Development Lead

UW Virtual Reality Association

September 2016 - June 2017

Hosted on-campus events, assisted students with their projects, and conducted outreach on campus and with the Seattle VR community.
